“ *"Pop" was such a gentle and kind man. He accepted my nephew into his family with loving and open arms, as did his son David. My prayers to the family. I know in my heart that he misses those he left while he rejoices being with those that went before him.*

“ *Once I was taking Pop to the farm on his gator to look around. We took a shortcut across a field that had recently been harvested. There were still cut corn stalks in field so it was a bumpy ride. I was going a reasonably good speed but he kept telling me to slow down.*

*Then I looked over at him and saw he was bouncing his head up and down like I was speeding over the bumps. The whole time he was messing with me!!!!!!!!!!!!!!!!!!!!!!
I LOVE YOU POP!!!!!!!!!!!!!!!!!!!!!!

Jimmy was a loving, caring Husband and father. His family and many many friends will miss his quiet soft personality. RIP Jimmy and enjoy being reunited with Rosemary, Steve and Brent. Even though those you left behind are grieving your going they can rest knowing you are at peace and once again with you mate and sons who left way to soon.
