“ *I just found this today and wanted to share. "Jimmy" was my soul mate from Rock Hall. We met as children on the pier and spent many days swimming, walking, talking, holding hands and froggin. He asked me to marry him at seventeen but I went and joined the navy. His family has always had a big part of my heart. I spent many suppers with them and his mother, Miss Nellie was my Sunday school teacher. I loved everyone in the family from a very young age. Miss Nellie and I wrote to each other for many years. You are all in my thoughts and prayers. I know that he is greatly missed.*

“ We first met Crow about 16 years ago when we moved here full time. He knew about everything. He teased the hell out of us for being Chicken Necker’s—but we still loved him. He was our bar tender for many parties in our screen house. He loved our neighbors- Carol and Leroy. About 6 weeks ago I argued with him about a Great Horned Owl. It was raiding our Martin Nests. I told him I didn’t think they were out in the day time. He said YES they were. I said No they were not. Today, when Joe and I were walking- Dempsey stopped us and said there was a Greta Horned owl on 20, on the ramp to the marsh. Dempsey said it was big as hell. Crow was right – Joe and I saw it. He was also correct- about Isabell- he kept saying it was coming up the bay. It sure did. We will miss him. Rest in Peace
