“ Poppop, I will always be thankful for everything you did for me, especially for saving my life that day in 1976. Also Poppop, thank you for being there and providing means when Ashley and I were in California.

As everyone knows, you were an extremely hard worker who taught your grandkids you gotta work hard to get what you want. I love you Poppop more than you could ever know and I will miss you even more!! One thing I wanted to tell you was that I'm so sorry for all the hurt and pain you went through a few years ago. I wish I could have taken it all away.

Judy, please know that you and your family are in my thoughts and prayers. Not only has Poppop been blessed with you and the family in his life, but we were blessed as well. I remember Poppop's face always lit up when he spoke of you, Wendy, Donny and Lil Donny. I will always be here for you if you ever need me! Donny, keep Poppop's legend alive. Poppop was a mighty man with a big heart!! I love you guys and thank you again for taking care of him and being apart of his life!

I will never, ever forget you!! I will love you always and forever!

“ *My best memories of Mr. Shorty are seeing him step out of the big wreckers. I watched him upright a tractor-trailer at the four corners in Rock Hall by what was then the ACME. I was fascinated with that.*
