“ Our deepest sympathies to Van, Luke, and Anna. As spring arrives and the smell of newly tilled soil is in the air it reminds us we have lost a man who deeply loved the ground, the crops it would produce, and all that nature had to offer. We hope Jimmy has found peace after his long battle and will surely miss him.

Vanessa, not sure you remember me, I use to babysit you and your sister when you lived on Brices' Mill Road. Think about you often. Didn't know your husband, but my thoughts are with you and your family.
