“ I am so saddened to hear of Jim's death. As a pastor in this community I had an opportunity to know Jim through his service with fhn funeral home. I am grateful for the many kindnesses Jim extended to ALL of the families with whom he worked at the most important time of their lives. He was always professional and he never failed to be considerate, respectful, kind, compassionate ... and I thoroughly enjoyed the many conversations I shared with Jim as we traveled to any number of cemeteries throughout Maryland and southeastern Pennsylvania. I will miss him and send my sympathy to his family.

I have known Jimmy for years! What a wonderful person. We worked together at the hospital. He was the bus driver for the high school competition band trips, and went as a chaperone on the band trip to Niagra Falls. We had so many good times and laughed until our sides hurt. I still laugh at those good times and stories today. Shirley, I met you once but please know that he loved you and so does God. We will miss him and his infectious smile. Carolyn Spray

My deepest sympathy to you Shirley. May the Lord be with you at this time and in the coming days. I have know Jim since the late 60's, went to Queen Anne's County High School together, road the bus together then our friendship continued through working at Kent and Queen Anne's Hospital for years. He was truly one of the kindest friends I knew. We have remained friends through out all of these years. We always had time to stop and talk with each other. I will always remember his involvement throughout the community. He was a very caring person. He will be missed by many. Please let me know if you need anything. Prayers and thoughts are with you more than you know.

Ms. Shirley I just want you to know that you are in my thoughts and prayers. I enjoyed meeting you just a couple of weeks ago. I think Jimmy had a lot of fun talking to my kids and cutting up with them in my shop and they had fun with him too. I enjoyed talking to him and hearing his stories while I was cutting his hair. He will be greatly missed. My mom and my children thought he was the BEST BUS DRIVER in the world!
