“ Jimmy was my best friend and playmate growing up. Pomona was never the same when we got to playing around. We had so many good times in Pomona and at Bond Chapel . There was never any one that was a more devoted friend or cousin. Jimmy and I looked out for each other on the bus and around school. We double dated for junior prom and had a blast. The years we had playing volleyball and softball in the front yard and picking up walnuts in the fall were the best!

*Jimmy you will be missed and I thank you for all the great memories ad friendship. You were always there for me, as I tried to be for you.*
