“ I was heartbroken when I learned of Jim’s death. He was such a special man to so many people. What a wonderful mentor he was to me during the creation of the DOBCAC, and I will be forever grateful for the professional and personal growth I experienced as a result of that relationship. I wish we could turn back the clock and all be together again making history fighting for victims' rights. Georgia, my thoughts and prayers are with you and your family. There will always be a special place in my heart for you and Jim. May he rest in peace.

Rest in heavenly peace. I was 25 years old when Deidre was murdered. I was working in Whippany, NJ at that time, and my co-workers said I looked like Deidre and I were sisters. They were right. I never had a sister, but if I had one she certainly would be it. She even had a white firebird like I did. I have thought and prayed for her for years. GOD BLESS YOU AND YOUR FAMILY. Now you are reunited with her and the LORD.

“ *I am deeply saddened to learn of Jim's passing. While I had not seen Jim in many years, we were kindred souls, fellow survivors and colleagues in the field of crime victims' rights and services. We shared many challenges and victories in our common quests for victim justice. I learned much from Jim and his legacy will long live in honor of his daughter, Deidre. My heartfelt thoughts and prayers go out to his family. May he rest in peace.*

“ *The families and children in the community of St Michaels and Talbot County have lost and unsung hero. Not long after the O'Brien's moved to the Eastern Shore, the Talbot County Children's Advocacy Center (TCAC) opened. Jim continued his legacy of advocacy for Child Abuse victims through his time on the TCAC Advisory Committee and also as a board member of Talbot Community Connections. Our center grew with the wisdom Jim imparted from the founding years of Deidre's House in New Jersey. I am honored to have had the support of Jim O'Brien as a colleague and a friend.*

Prayers for healing for Jim's family.

“ *We are so sadden by the loss of Jim and our prayers and thoughts are with all those who loved him. His contribution to victims' rights and child victims of abuse and neglect are immeasurable. The staff of The Deirdre O'Brien Child Advocacy Center (Deirdre's House) and the children and families we serve will be forever grateful for all he and Georgia have done. Through the founding of Deirdre's House they have changed the course of thousands of children's lives. Their contribution will continue to touch child victims for generations to come. Deirdre's House will be a living tribute to Jim and we will continue to honor his memory by being the door to hope and healing that he envisioned.*
