“ I'm so sorry for your loss. Tyler was such a nice & funny young man. He was good friends with my son Brian Jones (who also passed 9 years ago). Tyler was there the day Brian died and continued to come to most of our yearly memorial services each year. He would always have a big smile on his face and told us funny stories about him and Brian when they were younger. I have a video of Tyler, Lee and Brian playing in their Guitar Hero band. I have to believe that Tyler and Brian are together again. <3

Our sincere condolences
