“ Tho I didnt not know Jim very well I feel like I was a part of the Reece clan many years ago. I was a stranger in town who Dale and Nancy took in as a friend. I have nothing but wonderful memories of the times I've spent with Dale, Nancy, Caesar, Lisa, Frank and Fay. All I know is the Reece family to me are the salt of the Earth and as the old saying goes "The apple does not fall far from the tree". . May God cradle Jim in his warm and loving embrace. Rest in Peace

“ Jim Reece, what a talented, loving young man. I have such fond memories of the Reece boys at my house with Stephanie; just hanging out, swimming, singing, and eating. The many little notes that he left me, thanking me for whatever it was at that moment. He was one of my adopted sons, who proved over and over again that he was there for me and Stephanie, especially Stephanie during her many troubled times. Rest in peace Jim, you are missed dearly.

Nat and I will never forget our times together, playing music and me listening and begging you to play the Children song. You always made us laugh until we cried. So for us, it's not goodbye, it's just see ya later. Rest in Peace you sweet young man. You will be missed by so many and your music was fantastic. You were one heck of a guitar player. Shine bright.
