In the 40 years I have known Tater, there were few men who could keep up with him. If the community ever came up short of any needs, he would make it happen. We have lost one of the great pioneers of Kent County.

“ *My Brother Larry and I grew up with Tater as a regular in our house. He and my Dad were great friends and Tater was a factor in us converting to the Catholic religion. I remember Tater saying he was honored to be our Godfather. So glad we had the opportunity to take Mom to visit with him after Eggys funeral. RIP Tater and I'm sure you, Eggy, Goose and Dad will have a great time reminiscing about the old days. Our condolences to Ginger and all family members.*
