

James Veltrie

February 17, 1957 - July 19, 2012

James Veltrie, 55, passed away on July 19, 2012, following a brave battle with brain cancer. Born in Portchester, NY, on February 17, 1957, he was the son of Joan Merhige Kain and Eugene F. Kain.

Jimmy graduated from Towson High School and then attended the University of Maryland. Following his formal education, he was determined to define his own success. Making the Eastern Shore the home for his family and work, he combined skills and determination to build several successful businesses.

Jimmy's energetic presence will be missed by his dedicated and courageous family with whom he proudly shared his life. Throughout Jimmy's illness, his wife Theresa, and sons Travis, 21 and Dallas, 17, gracefully promoted a fulfilling life. In addition to his wife and sons, Jimmy leaves behind his loving mother, Joan; two brothers, David Kain and Charles Veltrie; and three sisters, Nancy Ransom, Theresa Walker, and Karen Veltrie. He was predeceased by his father, Gene, whom he adored.

Everyone who knew Jimmy will remember his famous smile and the charismatic manner in which he helped others. Despite the debilitating nature of his illness, Jimmy was frequently overheard creating laughter and offering words of encouragement to other patients and health care professionals, while he was receiving care. He was both a loyal friend and a passionate giver who

touched the lives of many people. Jimmy's desire to bring glory to Jesus Christ was his foremost goal: he fought the good fight.

A Celebration of Life service will be held August 3, 2012, at 6 p.m. at the Easton Church of God.

In honor of his life, the family requests that, in lieu of flowers, donations be made to Caroline Center, Inc., P.O. Box 460, Ridgely, MD 21660.

“ *Dear Veltrie/Kain family. I recently began to look up my old friends from Pelham. I was very saddened to read of Jimmy's passing. After both of our families moved away from Pelham, I, unfortunately, lost all contact with one of my best friends from Hutchinson Elementary School. The photo, that you posted, is exactly how I remember Jimmy. Always with that big smile on his face. God surely blessed us all by allowing him to come into our lives. I thank all of you for sharing this great gift. Howie Baker*

“ I was a classmate of Jimmy's back in High School and always remember him to have that "smile" on his face coupled with a great laugh. He was such a kind and considerate person not to mention a great athlete. I am saddened by his passing but know he is watching down upon his family with love and affection in the way I remember him. A wonderful person that will be missed.

“ Theresa and Family,
I am so sorry to hear of your loss. Even though I only met Jimmy a couple times, one being at CCI helping on our awesome Christmas float! He was a great person, and very giving. Theresa, I could always tell how much you adored him when you would speak of him and call him, "my jimmy". My prayers go out to all of you doing this difficult time. May the memories of all the good times see you through this difficult time.

“ Dear Theresa, Travis and Dallas, There are many great memories, that I'd love to share sometime together. In between being sad and missing Jimmy, I've been laughing out loud at some of the fun we had. His charisma and sense of humor was a gift he shared with all of us. His smile, laugh and friendship I will cherish always. With love, Mark Holechek & Family
