“ *I have so many! But my favorite was that he wanted, one Thanksgiving, to take pictures of me, my Mom and my sister.. we weren't in for it... and all of a sudden, I saw him outside the window.. taking pictures of us and we had a wonderful laugh that night. He will always be so very special to me and my family. He touched our hearts and our memories. We will never forget. And we will love him forever.*

I am so sorry to hear this news. Thoughts and prayers for comfort and peace for the family. I have many memories of being neighbors with the Wagner's for years. A wonderful happy generous family. Deepest condolences.

“ We did not know Jeff well but he worked for Ashley's Furniture and our Son is the manager there. Jeff was always a very friendly man with a good nature and I enjoyed speaking with him when I would go into the store. He always had a smile and was positive to me about the life he lived. Others knew him better but he was always a good man and treated me with respect and friendship. I liked him pretty well for as little as I knew of him. I know he will be missed.

“ I am so saddened to see this. I worked with Jeff back in the 70's at Maryland National Bank and he was always so nice and pleasant to be around. I am sorry to say I haven't seen him in the past few years, but whenever I did see him he was so glad to see me and would always give me a big hug. My thoughts and prayers are with his family during this very sad time.
