“ Judy (and family),

*I will see you Friday but just wanted to let you know that we will keep you in our thoughts and prayers and try very hard to help you through this tough, sad time by surrounding you with love and support as friends and your church family.*

*This may not help the grieving but, as I sit here in tears, I wanted to tell you that the photo in the obituary is so wonderful and tells anyone who looks so much about the man. That smile and look of happiness is how I will always think of Ernie. He made the world a better, happier place with a brighter outlook and while you lived with it each day, we are glad he and you shared that happiness and outlook with us.*

*As I said, Ernie was a great guy and the photo showcases what made him so great.*

*Again, you are in my thoughts and prayers and if we can help, in any way, now or over the coming months, please let me know.*
