“ *Mrs Barton was an inspiring teacher, her classes enjoyable. We've traded typewriters for keyboards, but just think how many of us don't have to look at the keyboard because of Mrs. Barton's excellent teaching skills.*

Sincere condolences to her loved ones. Lori Effinger Geisler

Mrs Barton was a wonderful lady and teacher. She taught me shorthand and typing, and I had her for home room. I've often thought of her over the years and how I enjoyed having her for a teacher. She loved her job and her students. SMHS was blessed to have her. Joyce George, class of 1970.

“ *As a student of Mrs. Barton, I was always so impressed by the kindness of this wonderful lady. She was the model of what a perfect teacher should be. I have always loved her kind mannerisms and her tenacity as a woman. A few years ago I was in the Safeway in Easton and there was Mrs. Barton with her best friend, Mrs. Mundt. They were trying hard to reach something on a top shelf.....I came over to them, towering over them, and reached it for them. They laughed and laughed and Mrs. Barton said " Sandy thank you! I remember you as being really smart but didn't remember you were that TALL!" I still laugh!*
