I was given the honor of getting to know this sweet lady and taking care of her during her last days. She was truly a remarkable lady. So kind and caring about others even in her last days. I will never forget her bright smile and beautiful eyes. She has an amazing loving and caring family who loved her dearly and was an extension of their mother in so many ways. May God give you comfort in your time of grief and mourning. Your mom will be forever in my heart as she touched my life in ways that I shall never forget.

“ I met Ms, Jane over 50 yrs ago when Shirley & I became friends in high school. We kept tabs over the yrs of the "Golden Girls" & their adventures. What a lady who was ahead of her time, she loved to travel, drive & have such fun. She has left such a legacey to her children & grandchildren ,for having the will to go out & live your dreams, let nothing stop you, not age , not health issues, or any other BUMP in the road . She had so many gifted talents that she shared. I loved her beautiful smile & her warm greeting whenever we met. She was a very special lady & will always be remembered fondly. “ Sorry to see the passing of Aunt Jane. She was a warm and wonderful woman from my earliest memories of Rolling Road to visiting her in Caroline County. Always cheerful, smiling and witty but smart with poise and kindness.

“ Jane was quite a woman and she will surely be missed. My fondest memories of Jane go back to the 70's when I remember meeting her and Buzz for the first time at Sandy and Don's wedding. She was the kind of person who made you feel good to be around. Her beautiful smile was always genuine and I loved to hear her laugh. She was sharp, very witty and I was amazed at the way she could engage you in conversations, and she was fun to talk to! But she was also inspiring. When Jane reminded me that she too, was a breast cancer survivor, I knew I had nothing to fear. She encouraged me to see it as "just another bump in the road of life" because it never stopped her (I think she was 88 at that time). My heart goes out to the family and all the people who were touched by her presence. Surely God has a special place prepared for her in Heaven because she was indeed a special woman.
