I know Gram considered you part of her family too and you made her last years at WHM so much more enjoyable with your sense of humour and willingness to always help Gram.

“ I grew up in Fremont two doors from Jane's parents. When she came to visit she and my mother (Laura Hughes) would always get together--play golf etc. When in Florida my husband and I visited her on Sanibel. Such a gracious lady who will be missed by all who knew her. Our sympathy to the family.

“ Jane was my longest best friend of 54 years. Some of the best memories of my entire life were times I spent with her and or the family. The adjectives to describe her are boundless--strong, beautiful, athletic, caring, active, funny, wry, and smart come to mind first. She will be missed by me and Chuck always. Lin and Chuck Evans

For sure Grammie loved to ride more than anything else she did. Right up until the end Gram walked and talked horses. An inspiration to us all.
