“ *I just found out that Janet passed and wish to convey my condolences. I was very sorry to hear of her passing. I worked with Janet for many years at Delmarva and we kept in touch each other during her retirement. I recently had been to her home and then we went out to lunch at Luke's. We had a good visit to catch up with each other's lives. Janet said she was going to visit a friend via train; I do hope she was able to make the trip. I shall miss out occasional outings and know you will miss her acutely as she always spoke lovingly of her family.*

“ I worked with Janet during her tenure at the Delmarva Foundation. She was always cheerful and friendly; a pleasure to know. She returned for visits a couple of times after retiring and happily reported that she was enjoying her activities and time with family. My condolences on your loss.
