“ Kate and Mrs. Skinner,

*I worked with Janet for approximately nine years in Salisbury and I've never met a more dedicated mother, daughter, sister or friend. She cared deeply about her family and friends; but Kate was the love of her life. She never failed to mention how Kate was doing when asked (or at times when not prompted). She valued the connection that she had with her and the relationship that they had built. As for me, she never hesitated to be there when I needed her - whenever I would call or email, I could always expect a prompt response. I am heartsick by the news of her passing but know that I am truly blessed by the time I knew her. Always remember how loved the two of you were and cherish her memory always.##imported-begin##Penny Wilson##imported-end##*
