“ Janet was such a warm and kind person. The last time I saw her at Holy Cross church, we chatted after not seeing each other for many many years. With such grace and ease we picked up right where we had left off. She was just that kind of person, very easy to talk too. Truly a good hearted, genuine woman. I remember when we were younger, she would make a mean spaghetti dish too! She would never let me leave the house hungry. I'll always remember that. Heaven's gates surely have opened wide to let her come in. My deepest sympathies to Teresa, Larry and your entire family. I know she will be missed tremendously and a huge longing will be left in your hearts. In the coming days and weeks ahead, may you find peace and comfort in God's words and deeds. Keep the faith; she is in his loving hands now and her spirit will always live on.

“ I remember Janet Smith from when I was a young child, I would tag along with Teresa, or Terry as her Mom called her, and Janet would always welcome me at the door of their Grandmas house with a big smile, she would say, Come on in, Terry's upstairs. She always had kind words to say and offered lots of advise. She would let me hang out at the house to get away from my house, which was a lot. She always made me feel welcome and at home. I remember the beautiful relationship she and Terry had and remember always wishing I had that same type of relationship with my own Mother. She made a lasting impact on me as I grew up and then became a Mother. I pray that she is now at peace and out of pain. God bless you Teresa and your family as you go on this journey now without your Mom, but please know she will always be there with you, by your side in life. Look for signs she will show you she is there. Much love and peace.

I remember Janet from work she made holiday kits for me and took care of my husband when he was working with her, Janet would always say to my husband "give me a hug" they were best buddies. Janet always had a bright smile and a hello everyday and loved everyone around her. Janet raised an amazing daughter and it is my great pleasure to work with Teresa everyday. Love you Teresa and Rob and I are thinking about you. Both are mothers are with the angels and God now and look down on us both so we better be good!! Miss you.

“ My best memory of Ms. Janet was working with her at USA Fulfillment. She was always full of words of encouragement. Definately a pistol if someone ticked her off which was very few and far between. She always complimented me on what a well mannered young man I raised and that everything will work out. Those words have meant and still mean the world to me. I was in my darkest moments and she was there to encourage me. What a wonderful woman she was and she raised a marvelous woman. Teresa I love you and will be here no matter what!

Momma, Janet we are going to miss you so very much. You brought sunshine to a dreary day. You filled all of our hearts with love....You were such a caring, loving individual. I keep a special place for you in my heart....We held you here on earth for a little while. He holds your hand now. He took you pain and suffering and gave you everlasting life. You watch over us as the angel of the lord. God has blessed you with his love and has called you home.
