*“ I am so sorry for you loss. I first met your mother in Cracker Barrel. She would come in every night to eat her vegetables, with her friend, and we would share stories before and after dinner. When her friend no longer came with her, she shared how she missed him. Janet was the highlight of my day. She was so sweet and kind and we kept in touch throughout the years online. She will be missed by so many. May all these memories give you peace and understanding and love of the many blessing she gave to so many of us.*
