“ I remember as a kid we would take walks in the woods behind the house and once I almost stepped on a snake Aunt Janice grabbed my hand and we ran back to the house with my feet barely touching the ground. Miss you Aunt Janice.

*Janice you were my other half
I remember us working side by side helping Daddy on the farm
Walking to school together just being my best friend

“ I have so many Memories of when I was little, and all of our families would get together at your house for a pool party. You were such an amazing and devoted mom. You are going to be truly missed Aunt Janice.
