“ Ron:

I did not know you personally, but worked with Jan when I was at ARINC years ago. I remember her always having a smile on her face and so full of cheer. I can't imagine the pain you and your family are going through, but do know from my father's battle with cancer that it does get better day by day. My thoughts and prayers are with you and your little ones. I just know Jan is smiling down and will always be watching over you.
