“ *I have been searching for words to comfort you and your family...I just don't know that there are any. Just know that we are thinking of you and Jason touched us all. Sadly, Sarah has lost a very dear friend, but he will always be near to our hearts. I regret to say we are all very ill and will not be able to make the service. Our deepest sympathies, Brian, Hope, and Sarah##imported-begin##Hope Bonnell##imported-end##*
