“ Aunt Jean was loved by everyone for her kind heart and sweet personality. She was a hard worker, she loved to laugh, she loved flowers, she kept up with the news, enjoyed reading biographies and visiting with her family and friends.

As a child I remember her famous soups she made for the store, card games with her sisters, her super shiny white bathroom floor, and the delicious tuna sandwiches she made when Mom, Kathy, Mom-mom and I would visit. She was always so appreciative of everything people did. I remember Mom liked making Aunt Jean applesauce cakes.

Elaine, Francis, Judy and family, you were always spoken about with such love and admiration. Please know we are thinking about you during this sad time.
