“ *Dear Beckhorn Family--*

I was very saddened to read of Jean's death. As you may recall, she and I were good friends and comrades working on the Y Board and in other endeavors years ago. I regret that we lost touch when we both moved away from Old Town. I will always think of Jean's calm approach to the various challenges we faced regarding the Y, and I will remember her fondly. Stanley joins me in wishing you all peace and courage in this difficult time. You will take comfort in knowing how much you meant in her life.

Love, Anna Dees
