“ Miss Jean was a wonderful person. She helped so many people with growing flowers and vegetables. You had a question and Miss Jean had the answer.

I adopted Miss Jean and sort of took her under my wing. She filled a void in my life after losing my Mom on October 11, 2006. I would take her my homemade soups, crab cakes, or whatever and she was so appreciative. We would go out to eat, go for a ride, oh yes!! I would take her to BINGO at Bay Country Moose. She loved bingo and was lucky at times. She would line all her little lucky trinkets up, including a brown smooth stone that Frank gave her from Hawaii. Being her neighbor at Grasonville Terrace we went through good and bad times together and stuck in there for each other. I missed her so much when she moved to Corsica Nursing Home. So I went there whenever I could and kept her goody closet filled. She would get all excited and ask, what groceries did you bring me today? She went to church with me at the Methodist Church till she went to Corsica.

Yes.....I'm going to miss, Miss Jean. She was a lot of fun and kept me laughing. Miss Jean, you touched my heart!!
