“ My memories of Jeannie are through the eyes of a young girl looking up to a young woman in High School. She was my babysitter. It seems that who she was at the core then, is who she remained. Roots established so firmly in her Lord held her steady and strong. What a legacy for Sara.

My family has your family in its prayers. Looking heavenward she now rests in the loving arms of Our Heavenly Father and is now endearingly reunited with Mom Mom Carpenter and others who have gone before. May Gods peace envelop you and may His grace sustain you.##imported-begin##Heather E. Beers-Dimitriadis##imported-end##

“ Our heart goes out to the family in the passing of Jeannie. We have so many good memories when she was one of our kids in the youth group. She was the epitamy of sweetness and grace. Even then she loved the Lord. Reading of her accomplishments we see that she accomplished much in her short life. She will surely be missed.##imported-begin##Gus & Glenda Halter##imported-end##

“ Losing Mrs. Lowe is a great loss for all. She was such an inspiration for all of us in the nursing program at Chesapeake. When you thought that nursing wasn't for you she was always there to reassure you that you made the correct choice in life. She will be missed by all of us and school will not be the same without her. My families prayers are with the family.##imported-begin##Kurt Musser##imported-end##

“ *Derwin & Sarah,*

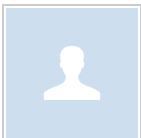

You have been such dear friends over these many years. We hold tight to fond memories of Jeannie and the times we have spent together. Words seem so inadequate; especially when the loss is so great. Please know that you are surrounded by a host of prayers, love and support. Earth has no sorrow that Heaven can not heal. We are comforted in knowing that Jeannie is not gone, just out of sight.##imported-begin##Pastor Howard & Dana Travers##imported-end##

“ *Derwin and Sarah,*

Jeannie and I were best friends throughout our school days. At times we were inseperable. I loved her like a sister and even though our lives got busy and we went in different directions, I always knew that she was there and that she was fulfilling her life with her family. My thoughts and prayers are with you at this most difficult time. She touched so many lives. She will always be remembered and loved by all that knew her.

Love,
