“Joyce, Cole, Joey, Noah and the rest of the Bridges family, please accept our sincere condolences for your loss. We enjoyed spending time with your family when we got together for Labor Day crabs, and enjoyed talking crabs and baseball with your dad when we got together. We wish all of you strength to carry on as Jeff would want you to, and please let us know if there is anything we can do to support.

*Love always, Dave and Kari Haldeman*

“ Jeff was always my little brother not just my  
cousin and cannot imagine my life without  
him. He was there for me when we lost my  
Mom and Dad . He even included me in a trip  
to the movies with a friend of his. I made him  
chocolate chip cookies for final exam week when he was in college.  
He always wanted to be an Uncle Jeff. We loved having children the  
same age. I remember going to his baseball game when his team  
went to the championship. He has always meant the world to me. I  
love him and will miss him and send my prayers and deep  
condolences to Aunt Mary Lou, Danny and Kristi and Nick and Zach  
and Joyce and Cole, Joey and Noah. I love all of you and will miss  
your son, brother, uncle, husband and Dad. Jeff was great at all of  
them!!!!
