We were blessed to have Jeff and his family as our neighbors for 30 years. He loved his family and all the neighborhood kids too. He was out there everyday playing baseball, roller hockey, shooting hoops & just enjoying every moment with pure joy. His laugh was contagious and wonderful to hear. He loved life, shared his beautiful spirit with everyone and always had a good word for all. Best neighbor & friend ever! We will miss him dearly & pray for his beloved family & loved ones. May perpetual light shine upon you Wolfie, thank you for your joyful & kind spirit 🙏❤️.

40 plus years ago I was Jeff's high school football coach. Now all these years later I'm old and half blind but I can still see in my memory the image of Jeff Wolf leading our football team. Jeff was the quarterback, defensive back, running back, punter ,place kicker ,captain and the team leader. He was Mr. everything and was an inspiration to the entire team. I have not seen Jeff for a number of years but I know he has given life to the old expression "character is destiny". The world has lost a man of great talent and character. God Speed ,Jeff ..We will miss you, but we will never forget how you inspired us in those days when we were all young .

As a former teammate, I can tell you that coach Hancock said it perfectly. Jeff was a constant inspiration to us all, both on and off the field. I also see that he continued to warm us with his character ever since. We will miss your passion brother, but never forget how you made us all better by knowing you.

Something made me look up Jeff's name today and I can not believe that he is gone. To be honest I am really shook!

The very 1st sports team I ever played on was with Jeff Wolf and Blake Gladfelter and it was for the Pavon Plumbers of the famous LAFA football league and of course we were undefeated 6 - 0 - 1.

A few years later we played together again at East 9th grade where Fugett is now...

Blake was the QB, Jeff the fullback and linebacker and I was the tailback and a cornerback, we were coached by Jack Wendland who nicknamed me JJ for JJ Jennings tailback of the World Football Leagues Philadelphia Bell.

For 9th grade basketball Jeff played for the Blue Team with Hilton, Butcher, Lawrence, Weaver, Boyer and others, while I played on the Gold team with Suel, Keen, Kray and others...

Both teams finished tied for 1st place at 11 - 1...

As you know Jeff and Blake went to Henderson me onto East then to Unionville.

I always respected Jeff and he respected me, we touched base via facebook and I really can't believe that he is not hear with us anymore.

To Jeff's family whom I do not know and who probably do not know me, I am very sorry of Jeff's (your father and husband) passing and for your loss.

I can only pray for you all and ask that the Lord Blesses Jeff and places his arms around his entire family!

I worked with Jeff in the office Funiture business, and he was a great person and a pleasure to work with. I'm very sorry about to hear of his passing. He was always upbeat and professional and a good person.

Jeff was an incredibly gifted all around athlete at Henderson High School. Seemingly always in positive spirits, Jeff garnered great respect and admiration both on the athletic field, and off. Coach Mike Hancock's comments regarding Jeff's character and integrity are right on the money. I will always have fond memories about Jeff and his great sense of humor as well. May the good LORD bless his family with peace.
