“ Jeff - my cousin, my friend, my classmate. I remember all the good times we had growing up as kids and the laughs we shared all through school. I remember how incredibly proud I was of you the day you stopped into my work when you returned home from Marine Corps boot camp. Thank you for your many years of service to our country and for your many accomplishments. Although we hadn't seen each other as often of late, you will always remain in my heart. Aunt Betty, Uncle Huey, Huey, Denny, Pam, Kim, Patti and families - you are in my thoughts and prayers. Holly, Jessie, Tim and families ~ cherish the many fond memories of your dad. He was a great person and loved you all very much. Rest in peace, Jeff. I will miss you!

“ Jeff was the one of the most kindest people i have ever meant. I worked with him at Quebecor for many years. We would always go outside on our break together along with 2-3 others on the regular. He was a father figure to me and i miss him so much. He always knew when i was having a bad day and would always seem to be able to cheer me up and tell me that everything would be okay. I have never heard anything negative come from him or have i ever heard anyone say anything negative about him. He was very well liked. I knew whenever i needed someone to talk to he was always there. Such a wonderful and strong man. I know now that he's gone his spirit will remain with me. I dont know why your gone Jeff but i do know that it was too soon. I never imagined that this would ever happen. I wish that i would be able to see you one last time but its okay though i know one day i will see you again. So much makes me think of you. I cant even walk in the mailroom at work cause it doesnt feel right, your supposed to be there. I love you Jeff thank you so much for always being there and listening to me when i was down. You always told me to stay strong through everything and stop worrying so much. Your the best, Jeff! I will always keep you in my heart, always. I know you will still be watching over me. I love you may you rest in peace now.
