

Jennifer Helen Covington

March 3, 1970 - April 30, 2025

Jennifer Helen Covington, beloved wife, daughter, and animal lover, passed away peacefully on April 30, 2025.

Born in San Diego, California to Raymond Paul Collins Jr. and Ruth Christine Leonard, Jennifer was a devoted daughter and cherished mother and sister. She shared a beautiful life with her best friend and loving husband, Bryan Covington. Together for 11 years and married for nearly 4, they celebrated their union at the Shore Birds Executive Club.

Jen had a passion for animals and was deeply committed to rescuing and supporting humane societies. She was also an avid runner, participating in numerous 5k races, and enjoyed dancing, especially to the bands Off the Hook and Turning Point. A lifelong sports fan Jen enjoyed watching tennis, golf, MMA, UFC, and a variety of others. She also loved the Ravens, Orioles, and Shore Birds and going to the occasional game.

Following her love of people and helping others, Jen spent her career working in many capacities as an administrative assistant and insurance agent.

Along with her husband, Bryan, she is survived by her sons, Dakota Scott Collins, and Cameron Todd Bruno; her sister, Patricia Hunter, and father, Raymond Collins, Jr. She is preceded in death by her mother, Ruth Keller. She was a proud pet parent to two beloved cats, Jack and Roscoe. Jen is preceded in death by her cherished dog of 17 years, Gigi.

Jen's compassion, vibrant spirit, and love for those around her will be deeply missed but fondly remembered by all who knew her.

A memorial service to honor Jennifer's life will be held on May 17th at 11:00 AM at Fellows, Helfenbein, and Newnam Funeral Home, Easton. The family will welcome friends from 10:30 AM until the time of the service.

Oh Jenny, I still am in utter shock...still can't believe you're gone. I love you sooooo much! Lawrence & I watched your service & all I could think about was you, me & Trisha up in you guys' room, playing house, reciting lines from Grease, singing Dancing Queen into our brush-mic's & dancing our butts off! I remember how boy crazy we were in PRESCHOOL...4 years old, LOL...and how we both wanted to marry John Travolta. Haha. ALL of my childhood...you were there...from Dewey Preschool to now...I have completely & unconditionally LOVED you! You are a beautiful soul who always marched to her own beat...I always admired you for that. You were 100% YOU & never pretended to be anything else. It takes some of us a lifetime to do that, but not you, my beautiful Jen-Jen. I thank God you were able to experience true love & true happiness in your final years...you so deserved it. Thank you for loving me...no matter how much time had passed or how far apart we were...you never let me forget that! Rest easy, my love. I know you're with your mama & Gigi. I'll never get over losing you, it physically feels like a part of me is missing, but that's just a testament to our unbreakable bond. I love you, Jen. My heart is with you forever...
