“ While we only had the privilege of knowing Jeremy for the two short years since our grandson, Atlas, was born it didn't take long to realize what a special person he was. While we are Atlas' maternal grandparents, he reached out to us and wanted to ensure we knew that he both supported and facilitated our relationship with our grandson. That told us right then and there what kind of person he was. He welcomed us into his home and brought Atlas to see us. He Facetimed. He sent pictures. He went above and beyond. It was clear that Atlas was his world and he was an amazing dad but also an amazing person. He spoke often of his family, his job, and his love for cars and we loved every minute of getting to know him. To say that we are devastated is an understatement. Jeremy will truly be missed, but he will live on in our hearts and memories and we will make sure that Atlas knows all about his amazing dad and how much he was loved. Rest in peace, Jeremy.

“ Jeremy and Jim made a great team working on my Cabin in The Woods, West Virginia during the early stages of Covid. He was very talented at wood working and a great friend to my son, Jim Vale. They has a good time together balancing the fun of cabin life with hard work. Jeremy was a truly special person and loving father. My deepest condolences.
