“ Leigh and all the Peek Family,
Over 20 years ago as a young man I met Jerry and together we established a relationship that bought each of us to the end of our careers his with RockTenn and mine at Colgate. Through those years the one constant was the weekly call or office visit making sure that I was ok. Our business relationship grew and I am proud to say that I was passed over for a job at Colgate because the perception of my close personal relationship with Jerry would cloud my business judgement. Which of course it never would because Jerry would never let it! Among my memories of Jerry was a round of golf with our sons. Golf as most of Jerry friends know is something he did because others liked to, he would rather be fishing or sailing. Among my regrets is that I was never able to get to St Michaels to see Jerry in his element. As sad as his passing is we should all know that he is enjoying good scotch and sailing the best gulf in heaven. Sail on my frind until we meet again

“ I'm so blessed to have known Jerry. He was always smiling and having a great time. He and Leigh showed me around Winston-Salem when I'd come down to the plant. I'll miss having a cocktail with him and reminiscing about the past! Rest in peace dear friend.
