“ My heart is so heavy. I only just met Jesse a couple years ago, but in that short time he had such a huge impact on my life. Jesse was the neighbor and best friend to my Father, Francis Wendolek, who passed away a couple months ago. Not only was he there for my father through some of the hardest times in his life, but he was his best friend. He always checked on my dad and spent many nights at his house watching the news and football. When Dad passed, Jesse was always there. He continued to check in on me just as much. I couldn't thank him and his family enough for all of the love, support, and help they provided to not only my dad, but to me after he passed. He was such a kind man. The only thing making me happy is knowing him and my father are finally reunited. Sending all my love to his family and friends during this time.

“ I remember when I moved you into CL II Apts. You treated me as if you had known me for years. Didn't know me at all, but started calling me your Sister. You had the most biggest and kindest heart. Would help in any way that you could. When I would come into the office, even if I wasn't in the best of mood, You always brought me around with your loud talking 😊 You will be truly missed my Friend ❤️ Sleep on In Peace My Friend 🙏❤️
