“ *Margaret and family, We are deeply sorry that JB , our dear friend, has passed away. He certainly enjoyed life and all it had to offer. Remember all the happy times you had and all the times you laughed with him. He would want that. We will always remember him that way. What a joy it was to be with him. He always had a joke to tell to make us laugh. He will be sadly missed. With our deepest condolences. Eddie and Rita Kulley.*

“ Dear Margaret and family, I was so sorry to hear of JB's passing. He was a really special person, I'm sure you already know this about him! It was a privilege to be part of his journey and I cherish the short time I knew him. I will always remember JB with a smile as one of my favorite people ever! And he was right, the best crabs I ever ate were the ones he caught and gave me! May you find comfort in each other in the coming days. You are all in my thoughts and prayers.

“ *I'm so sorry I can't make it up there for your sake. I remember when you and JB and Wit came to Fort Myers Beach and came to the packing house I was working and got some shrimp. I could always laugh with JB he had a crazy sense of humor. After my husband died there was such a void in my life, I can remember it well. One good thing you do have your family and you have Wit. Just remember we love you in Florida too.*

“ Margaret, JB, Heather and Jason and Families:
George and I are so sorry for your loss. When George worked on Jack Kings farm we all went Crabbing and took care of each other's children and also all the hunting the guys did together. Like the year they didn't get anything Turkey hunting and George and JB brought their wives a turkey from the Grocery store and thought we wouldn't know the difference. We have watched all your children grow up except for Jason and we were able to meet him in his older age and what fun kids you had. I know your sons will keep your legacy going with hunting, crabbing etc. JB, Heather and Jason I know this is a difficult time but hold your memories close to your families and yourself. Your Dad loved life and make sure you all make the most of your life too.

Margaret so sorry for the loss of your husband. I know that in time the pain will ease and hopefully you can hold dear to all your families memories.

Please know we are sending prayers and hugs for everything your going through and hopefully soon the pain will ease. Celebrate his life like he would of.
