

## Ms. Jesse Adelle Willis

September 28, 1994 - February 3, 2017

Easton, MD:

Jesse Adelle Willis, 22, of Easton, died on Friday, February 3, 2017 in Clinton, MD. Jesse was born on September 28, 1994 in Easton. She was the daughter of Michael "Seth" Willis of Easton, and Jennifer Howell of Trappe.

Jesse was a kind, gentle, and loving soul with a smile and eyes that would light up a room. She had very strong family values and was best friends with her mother. She was also a loving big sister and role model to all her siblings. Jesse had a very strong bond with her father who lovingly called her his "sunshine" from birth to the day she passed. She loved to fish and hunt and was never afraid to get her hands dirty when needed. Jesse was just simply loved by all. We have lost a very special kind of soul, an old soul, a soul that had the ability to take your pains and make them disappear. We could not have been more proud of her accomplishments during the short journey she had on earth. Jesse will be dearly missed.

In addition to her father and mother, Jesse is survived by her step mother, Jill Willis; paternal grandparents, Bill and Mimi Willis; maternal grandfather, Robert Howell and his wife, Sandy Howell; maternal grandmother, Joyce Scharch, siblings Ayla and Aubrie Gowe, Kade and Aurelia Willis and Madison Rudder.

She was preceded in death by James H Scharch Sr. her beloved maternal grandfather.

There will be a Memorial Service to honor the life of Jesse Adelle Willis held at the First Wesleyan Church, 620 Goldsborough Street at 2 p.m. on Saturday, February 18.

“ I remember when we were kids and me Jesse and Jacob would all sleepover at Nans house. Jesse needed the TV to go to sleep so we would always put on Scooby Doo, Jacob and I thought she was so cool for getting Nan to let us sleep with the Tv on. We both always looked up to Jesse as our super cool older cousin. I love that girl so much and will really miss her.

“ I will always remember fishing with Jesse and Seth. Jesse was only about 8 or 9 at the time. Both Seth and I had expensive, fancy fishing poles and Jesse had a Minnie Mouse or SpongeBob pole. She would catch more fish on that little toy pole than the two of us combined! One day I got my line hooked around the telephone lines that were above the bridge we were fishing from. She thought that was the funniest thing! Every time we would go fishing after that she would look up at my line and giggle! I'll never forget that! Rest in Peace Jesse!
