“ *What a lovely lady Ms Mae was. We had so much fun during the time she was in my care. Little did I know upon meeting her that I knew mostly all her relatives. We shared a love for horses and I would bring her to see mine after a Dr appointment and she had her beloved fish sandwiches. It was a pleasure taking care of her that's for sure. We would dance and sing, do crafts together and numerous other things. She will be forever in my heart and my memories. ❤️❤️*
