“ *To the family and friends of, Jessie Hall Eure. I am so sorry to hear of your loss, please accept my sincerest condolences. We all know that death is something that plagues all of mankind, no matter our race or age. However, I found it comforting to know that God has provided a way to remedy this world-wide epidemic. The scriptures found at Isaiah 25:8 and Acts 24:15 promise that not only will Jehovah God swallow up our enemy death in the future, but that we will be able to see the ones we have loss once again. We all are looking forward to that day when we will be able to touch our dear one's face again, but until then may these scriptures help you draw comfort in your time of deep sorrow##imported-begin##ms. brown##imported-end##*
