*Silvia, Rei, and Mericar,
I was privileged to work with Jun, and all of you, so many years ago. He was a remarkable man, and made a lasting impression on me. He challenged me to be a better person, and he always went out of his way to talk to Sean and Shannon when they came for their visits, too. Some memories I have - Jun taking Shannon into the atrium and letting her see the birds up close, and feed the fishes, brunches at the Tidewater Inn, dinner at Kim Jones house and the proud look in Jun's eyes when Silvia was singing for all of us, a picnic down on Solitude Lane for all the staff, making homemade egg nog for our Christmas party. These are just a few of the things I remember, and I hope that remembering them will bring you some comfort. My deepest sympathies go out to you all.*
