“ *My deepest sympathy. I worked with Joan for several years in the NICU. A few of us were talking on our break tonight how in awe we were at Joan, as she could get ANY baby to take their feeding (bottle). She loved her job here in the NICU and we have many great memories of her. She is now resting peacefully with her Lord and Savior. May God grant you strength and peace to get through this next stretch. Joni Deyaert RN*

TO

“ My condolences to the Baker Family. May you find comfort during this very difficult time in your lives. The loss of a dear loved one is heartbreaking, but we can find comfort from Gods word. John 5:28,29 assures us of a promise made from God that our dear loved ones sleeping in death would hear Jesus voice and come out of their memorial tombs. God promises to resurrect them back to life on a paradise earth where sickness and death will be no more. Revelation 21:4 Isaiah 25:8. What a wonderful promise to look forward to seeing our dear loved ones again.
