“ *Uncle Donald, David and Susan,
I seriously apologize for not knowing Aunt Joan had passed away last year. I was recently visiting with my Aunt Pat Myers before she passed away earlier this month. I made a comment about Aunt Joan and me teasingly calling her Aunt Hanna. Aunt Pat told me Aunt Joan didn't like being called Hanna. They were classmates in school. Then Aunt Pat mentioned to me that Aunt Joan had passed away last year.*

Mom has been really slowing down and her memory is slipping. She says she meant to tell me about Aunt Joan but just forgot. While I know one more person attending the service would not of made any real difference, I wanted you to know that it wasn't that I just didn't want to come, I didn't know. I definitely would have shown up to pay my respects. She was a big part of my early childhood and I have quite a few fond memories of her.

I'm so sorry for your loss and I hope you are able to find comfort remembering the happy times.

Respectfully,

Michael Elliott Quimby

Donald and family: Where do I begin? Been friends for many, many years. Great times, sad times, fun times and memorable times. We had many laughs along the way and many tears that were wiped away. Joan will surely be missed in our Community, church, daily activities and by her friends and family. Her life was enjoyed by Donald, her kids, grandkids and great grandkids. She loved them all. Gene and I send our prayers and blessings to you during your loss. Hope Road will not be the same, but we have great memories that will be cherished forever. RIP dear friend and may God give the family strength to get through this difficult time. God bless each one of you. Love, Lynda and Gene

Our hearts are with you all - Joan was so wonderful. So many memories of working with her in QAC and seeing her out and about. We always parked at their house on Halloween and she reported how many bags of candy she had prepared. After taking the kids around the Heights we end up back there to go inside and show the older ladies Joan would gather in her living room to see the kids in costume. And of course she would report all her candy was gone and what time she ran out !
