

Joan M. Dickson

December 4, 1928 - October 25, 2017

Joan M. Dickson, 88, of Easton, MD, passed away on October 25, 2017, at the University of Maryland Shore Medical Center in Easton.

She was preceded in death by her husband, James “Jim” Dickson; her parents, Dr. Charles and Wilma Mosley; and her sister, Helen Louise Dix. Joan is survived by her nephew, Steven Dix (Nancy), and her cousins, Marjorie Midili and Conrad Mowrey (Jean).

Joan worked for the U.S. Government until her retirement. She loved all animals, especially cats. Two of her favorite ones, Harry and Mia, also preceded her in death and she dearly missed them. Joan knew that animals, if treated fairly, would only return love and loyalty...a lesson she wished all would learn.

Joan was a Master Gardener and was frequently consulted for her advice on gardens, flowers, trees, and grasses. If she didn't know the answer, she would research it and quickly get back to you. Joan fought through a number of adversities throughout her life, never complaining about any and always rising above them. Even various cancers found an especially formidable opponent in Joan. She was a strong woman. Bitterness and anger were never part of Joan's life, rather she presented kindness, a caring way, dependability, and fairness combined with an interesting sense of humor.

Per Joan's request, a graveside service will take place in Fort Scott, KS. A date for the service is yet to be announced.
