“ My dear friend, Jody. You have been my very best childhood friend since 2nd grade all through school. We were right behind each other at graduation. You were my maid of honor. You are my first born's Godmother. I am so glad we have remained so close and that I was able to be with you til the end. You have left us way too soon. We never got to take that train ride, but we'll ride that great train when we're together again in heaven. I miss you already, and I'll miss you forever. I love you, Jody. 😭😭 Ruthie
