“ *Chris, Jen, and family - I am so very sorry and sad for your loss.*

Your Dad never failed to make me laugh whenever I saw him. My fondest memories of Mr. John were when he would stop into the office at Angelica and let us sample his latest culinary creation. Not only because he was such a good cook but, because you could tell how much he really enjoyed experimenting with his recipes. It was great to share in his enthusiasm.

Most of all, I will never forget how he could be so sweet and ornery all at the same time.

Enjoyed very much chitty chatting, trying to catch up; he could always make you smile, especially talking about his family. Share your memories and his stories, pass them on down to share his glory. I've known you guys for a very long time, please know that I am always here if you need anything. Love you all!! Our deepest condolences, Kim, Mike, Catey, Jace and Jake.

Tom and I had many a good time with John and his family. He was a very generous man, full of life, ornery, kind, and of course, we can't forget his infectious smile and laugh. I just know you and Tom are creating some kind of mischief in Heaven. Rest in peace dear friend.
