“ John, Bev and girls, hardly a minute has gone by this weekend when I haven't thought about your family and what a difficult time this is for you. I struggle now with what I want to say to you knowing that there are no words to ease your pain or to truly convey how much love and thoughts are being sent your way. We are hoping to make the service on Wednesday, if we are unable to do so, please know we are thinking of you and praying for peace for you and your extended family. Kathy and Ben
