We will all miss that sly little smile and chuckle but can take comfort in knowing that you are with Denise and are at peace. You have been strong and gentle and able to help others in so many ways. You were so faithful to my Mother, Aunt Esther, and she looked forward to your weekly phone calls. With only the fondest of memories of family times and private times as well.

*Until we meet again,
Brenda and Dan Harnetiaux*

I was very sad to hear of Johns passing today. My name in Marty Hoover and I lived two doors down from John and his family in Sunnyside, College Park Md. We virtually grew up together in that little community. We played baseball, hunted with bb guns, and came home when the street lights came on. My heartfelt condolences to the family. Rest in peace my good friend, Marty Hoover, Marco Island, Florida.

“ Where do I even begin. It all started with our wonderful community at Wooded Valley so many years ago, the special friendship that we all shared together. We were all so lucky to have each other. We had so many great times, cruises, volley ball in the pool, cook-outs, birthday parties and just so much fun and laughter. I know that it has been hard for you without Denise. I know you are at peace now and will be missed by all. You will be in our hearts forever.
