Rest in peace Mr. Callahan... I remember we always laugh, and told you that I love the way you laugh and joke about the random numbers whenever I see you... You love those Dunkin Donuts and coffee too... Sending our deepest condolences...

So many memories I have with JR that it is hard to pick out just one. He was loved by so many and of course there are many who have enjoyed his music over the years. Now he will be with the angels and gathering musicians together to play in heaven. My love goes out to all of the family as we go through this difficult time. I was lucky to have him be not only a cousin but a friend as well. So many have been blessed by knowing him.
