“ John loved the water and shared that love with everyone: friends, family, kids. His work in establishing the Sue Ellen Gargalli Fund for the Miles River Yacht Club Foundation was a wonderful tribute to her and to his commitment to a legacy for kids to be able to enjoy the water, learn to swim and sail, and love water sporting as he did. He set an example for all the members of the MRYC to give back to our community, and to invest in young people. It was my privilege to know him.

“ We miss you John. My brother graduated from Princeton when I was eight. I still remember his graduation. Like John, my brother went back to Princeton for all the crazy "Tiger" reunions. I always loved to talk to John about these Princeton memories. Hugs from both of us to all of your extended family. Love, Abby and Tom
