My deepest condolences to the entire Griffin family. There is no one who was as special as Mr. Jack. He loved everything he did and was proud to serve as Town Commissioner. I worked with Mr. Jack for 23 years until I retired for health reasons. Mr. Jack became a substitute father to me. Every time Ms. Rettsy made butter bean soup, they both made sure I got a container. I have never had another bowl of butter bean soup that came anywhere close to hers! I think I can relate one "ism" that was very amusing. We were talking about "city folk" and how they weren't the brightest. He said was coming back to shore after crabbing & people in another boat asked him how he did. He said great. They then told him they hadn't caught any red crab, only blue. I'm sure he was laughing inside when he told them to keep trying! Obviously "city folk". It was my great pleasure to have been able to work for the kindest, lovable, intelligent & dedicated man. Mr. Jack was one of a special breed. Now he is with his wife and brothers in Heaven, looking down and watching over his family on earth. You will be missed greatly. Marie Rameika

I got to know Mr Jack when I covered the Church Hill commissioners for the local newspapers. What began as a professional relationship became a friendship. He was a gentleman and I am fortunate to have known him.

I was so sorry to hear about Mr. Jack's passing. He was such a staple to the town of Church Hill. He gave so much of his time to the various committees and served with dedication as mayor. He will be greatly missed. My father used to say that they were the last remaining members of their boyhood generation. Time passes, but their memories will remain with us. God be with you all.
