“ *Uncle John will always be remembered and have a special place in our hearts. He was so close to my brother Roy and always took time to entertain me when I was young. I will always remember the tour of his bank and hearing about his coin trading adventures. He was such a kind and quiet man. He is missed.*

“ *John was a very good friend and long time business associate. A real gentleman and a man of impeccable an indisputable integrity. All the dealers knew that they could rely on John for answers to tough questions because his knowledge of our business was incredible, and he was always willing to share this knowledge. When the word TRUST came to mind you thought of John Haddaway. He would always give you the best deal possible. I always considered John as a mentor of mentors, and I learned much from him over the years. John will be sorely missed, and I know he will be part of my fond memories. The good news is that my dear friend is very much alive, and we will see him again sometime in the future. Our prayers are with John's wife, Norma, and his sister, Jan and family. God bless you all. “ *Tribute to John Lednum Haddaway*

John is my dearly beloved brother. He has always been a wonderful brother to me. I have loved him dearly for all of his life and I am proud of the man he became. He has always loved his family I always loved being the only one he called "Sister". That was special just for me. He was a graduate of SMHS. His job caused him to travel throughout Delmarva, Pennsylvania, New Jersey, and Florida. He had many friends and some acquaintances all along the way. He was known for his expertise, honesty, and good will everywhere he went. I was with my brother when he passed away. I have to say goodbye to my beloved brother for now as his journey on earth is over but someday I will be with him in heaven where he is at home now.

*His Beloved Sister,
